So this page of The School Run has a nice summary of the clauses and how they work together, with clear illustrations to emphasize the examples. Read it here. 4 | Examples of subordinate clauses This page from Grammar Bytes has a good list of examples with explanations as to why they are subordinate clauses, stating: A subordinate clause cannot stand alone as a phrase because it does not provide complete thought. The reader asks, "So what happened?" So, looking at the first example in the image above, you ask, "So what happened? Any throw it down for waste disposal or served it in bread to his friends?" explaining that, since there is no complete thought here, it is just a fragment of a sentence.
